## Customer Reviews

This book is filled with original art, each image made up of beautiful flower patterns or flower and butterfly patterns, all intricately detailed in beautiful patterns that will inspire you and the recipients will love. This book is made up of light weight card stock paper and all of markers bleed through the paper, but this paper is a joy to color on with colored pencils, you get bright smooth colors that pop from the page. Gel pens leave a very very light shadowing. Each card when cut out and folded is a square 5 1/2 x 5 1/2 inches. I love this book and I know my grandchildren will also love coloring these special cards and sending them.
