## Customer Reviews

It would be nice if these books came in a collection. They are a bit pricey for the length of the book, but if your child is a sports fan and you want to teach them about good sportsmanship, this a great book (and series of books)

Love all of these books for my boys, 8 and 11. Easy, fun reads. But real life stories and learning applications. Highly recommend for boys. Good for boys who don't love to read, because in addition to the nice stories, the books are filled with little facts, amazing tidbits, cartoon pictures, real photographs, etc.

This book is amazing you should read it. It teaches you about how to play the sports that the

character plays.

My son really enjoys these books. He is 6 and he's a big sports fanatic. I'm sure we'll get more.

Thank you
