Grade Level: 4 and up

Customer Reviews

Loved being able to introduce our kids to important women in history. Often, schools focus heavily on men in history, so it's great for daughters to see that women did amazing things right along side the men.

I surely wish these women's stories had been included in my history classes. I wonder if they are even these days. Far too seldom do we learn of the contributions of women. The pictures are well drawn and easy to color and the stories that accompany them are likewise well written. I knew virtually about none of these women prior to this book. I think this is a very important book for both girls and boys to have. As an adult colorist I enjoyed learning more history about my country and also enjoyed coloring the pictures.

coloring book Heroines of the American Revolution, 1998 Picture on one side and information on the other. Hannah White Arnett, Anne Bailey and Penelope Pagett Barker to name a few.

One of my husband's great great great grandmother's was in this coloring book! The coloring book was much better than I expected. Loved it!!
