Shipping Weight: 3.1 pounds

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (10 customer reviews)

Best Sellers Rank: #48,167 in Books (See Top 100 in Books) #27 in [Books > Children's Books > Education & Reference > History > Ancient](#) #537 in [Books > Textbooks > Humanities > History](#) #4089 in [Books > History](#)

Customer Reviews

So far I have found the information and content of this book to be quite useful. Enjoying the detailed explanation.

Perfect

The quality and condition of the book is equivalent to those used in my school district. Wear and tear, typical for a book used by sixth graders for more than 5 years.

It's like a new!!!! thought that it's a new book.And very fast came to me.Everything was good!!!Thanks,

My son lost his book and this one came in great shape. Everything was the same as the one he lost.

Item as described, Thanks.

The book arrived before the date it was promised. It arrived within 3 days. The book was brand new as it was described. I was very satisfied with the service.

The book was in functional but dirty condition. It still had previous student's name taped on the front and the binding is pretty broken down. Of all the textbooks I have ordered, some at much better prices than this one, this one was by far the poorest. I would have appreciated if the seller at least attempted to clean up the book and not assume that content outweighs condition.
