The Mother Of The Saviour: And Our Interior Life

Synopsis

THE MOTHER OF THE SAVIOUR: AND OUR INTERIOR LIFE REVEREND REGINALD

GARRIGOU-LAGRANGE O.P. Publisher: Available in Kindle E-Book: ISBN-13: 978-1-78379-329-7

This is not a devotional book in the ordinary sense of the term: it is too openly theological for that. On the other hand, it is no mere theological treatise: the author's aim has been to inflame hearts no less than to enlighten minds. The result is a work which demands more intellectual application than many others on Our Lady. But, by way of compensation, it touches the will at a deeper and more spiritual level than would a work of less rich content. PUBLISHER: CATHOLIC WAY PUBLISHING

Fr. Garrigou-Lagrange was one of the last great Thomists of the Strict Observance and is somewhat neglected today. On the plus side, he taught the future John Paul II theology, on the minus he made life difficult for newer theologians like Henri de Lubac who wanted to think outside the Thomistic box. All that said, he is a great teacher and spiritual writer. All his books are worth reading. This one will deepen both your theological understanding of the Mother of God and your spiritual life. Highly recommended.

Without deviant theological concepts that disguise modernist agendas, Reverend Garrigou-Lagrange clearly explains the Catholic dogma of Mary the mother of the Savior and why she is and should be held in such high esteem.

This book presents in fascinating depth the wonders of the Blessed Virgin Mother Mary. I don't like reading theology usually, because it is often very dry, but this book combines the depths of theological thinking with all the devotion and love that the B.V.M. elicits. It is very readable (especially the more one gets into it) and makes for great spiritual reading. The thoughts and examples are organized and very easy to follow. I will never underestimate the greatness of the Blessed Virgin Mother Mary as I had previously. I can see from this book that there is still much more to appreciate about her, and about the changes that she can make in our own lives. Five stars.

If you love our Blessed Mother you should really read this book. Lovely insights about how close our Lord is to his Mother and how we can become closer too!

I downloaded this & several other books & on the kindle fire they won't paginate or keep a bookmark! It's a real pain to have to search for the last page all the time! None of the books I got recently, work on the "fire" correctly & they don't work w/audio either! They were, I suspect; made for the NEW KINDLE & will work fine with that!?!? BUT, they don't work well with MY K Fire! (wish THAT fact was "advertized"!

Reverend Carrigou-Lagrange's analysis seems to revolve around the concept of Mary's predestination to the divine maternity, fullness of glory and grace. He explains the importance of Mary in God's plan to save humanity through His son Jesus Christ. Reverend Carrigou-Lagrange discusses how Mary's infallible submission to God's will is an unfailing source of virtues such as faith, hope, and humility. He discusses how Mary's role as the mother of the redeemer and mother of all men justifies her title of universal queen. He relies on scriptures to explain the significance of the prayers embedded in the rosary. The structure of sentences in the book and the English translation from the original version makes it difficult to read at times. The book is mainly intended for theologians.

Wonderful logical explanation for the reasons for honoring our Immaculate mother. It puts to bed the anxiety many people have in praying to Mary, seeking her intercession. It explains through the hierarchy of the Divine, the Hypostatic Union, and full of grace and just what these mean and what they require. Once these explanations are logically set out, then what the repercussions must be. It

answers the question when asked of the Father, Son and Holy Spirit, Who is Mary to You and what are you doing about it ?
