Be Heroic (Minor Prophets): Demonstrating Bravery By Your Walk

Synopsis

We all admire the hero. That person who's celebrated for accomplishing big things in the face of even bigger odds. Yet heroes aren't defined by their circumstances, but by their choices. They're people who continually choose to serve others, even when no one is watching, and without expecting credit. Based on the books of Ezra, Haggai, and Zechariah, this study examines three unsung heroes of the Bible who can inspire us today. Part of Dr. Warren W. Wiersbe's best-selling "Be" commentary series, BE Heroic has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares small ways we can make a big impact. Because when it's all about being a servant, we all have what it takes to be a hero. Â

We are using this study guide in our Sunday School class now. Even though it's on three prophets from the old testament, it is speaking to specific issues we face in our society today. We had prayed about what we should study next, and at first I wasn't sure we had selected the topic the Lord had for us. But once we got into the book, we knew that God was guiding us in what we still need to be doing today, thousands of years after the prophets spoke these words. Wiersbe always does a great job of helping the reader understand God's Word at a deeper level. Great study!

I am always so challenged by Wiersbe's commentaries. Be Heroic is an incredibly deep, power-packed Bible study! I highly recommend it to parents who want to be heroic for our Savior, in our generation, and for our kids!

I always enjoy Wiersbe. I think the best way I could describe it would be down to earth holiness. Great historical backgrounds, keeps things in context, and always has great explanations.

Warren Wiersbe always has lots of insightful perspectives on the Bible. I found this book VERY useful in teaching my Sunday School class!

Warren Wiersbe's commentary on the book of Zechariah has been a great help. It has opened up my understanding for small group study.

Trying to make sense of the threads of prophecy is much easier with Dr. Wiersbe's commentaries. As always, love his outlines

It gives you a more precise look at the minor prophets. Good insight from Warren Wiersbe into these books in the old testament.
