Day By Day Devotions: A Year Of Character Building Devotions For Kids

Synopsis

Popular children's author Karyn Henley, author of *The Beginner's Bible*, has created a unique tool to help children establish the habit of daily devotional time. This revised version of *God's Story and Me* leads kids ages 6-10 through a new devotional every day. Each day's devotion includes a suggested reading from the *Day by Day Kid's Bible*, a printed excerpt of the passage, a brief discussion, and a prayer. There are also four to five weekly activity ideas. These kid-friendly devotionals engage kids in Scripture in a fun and instructive way.

Customer Reviews

I am 9 going on 10. I am giving Day by Day Devotions 4 stars, because I have not read all of it yet. What I have read is EXCELLENT! I would recommend that you first read *Day by Day Kid's Bible: The Bible for Young Readers* (Tyndale Kids) by the same author. The *Day by Day Kid's Bible* is divided into one year of daily readings that take about 7 minutes each. The *Day by Day Kid's Bible* shows you God's plan for people from Genesis to Revelation. *Day by Day Devotions* brings you back to the *Day by Day Kid's Bible* and gives you time to focus on specific stories and passages of Scripture so that you can apply it to your own life. *Day by Day Devotions* is divided into 5 readings a week for 52 weeks. The readings are not too long and they include really good questions to think

about. I would also highly recommend starting with The Beginner's Bible: Timeless Children's Stories. My mom read the Beginner's Bible to me when I was too young to read, and I read it by myself when I was 7 and 8 years old. Karyn Henley makes the stories interesting for kids! These books are good to read, because they help you grow in your walk with God.

This book has been wonderful with my 6 and 8 year old children. The Bible readings are short and the questions stress applying the concepts to your life. Each week contains five short readings, commentary and questions built around a theme, like God Keeps His Promises. At the end of the week are suggestions for simple activities to reinforce the learning. They do not necessarily correspond to a particular day's reading, but many do. My children find the activities the highlight of the book and Mom (who is NOT crafty) doesn't mind them because they are simple. They do not require a lot of materials or prep time. For example, we have used play dough or cookie dough to cut out star and moon shapes after reading about creation; we played hide and seek after reading about an Old Testament character who tried to hide from God; we painted rainbows, decorated old shoe boxes, and played other simple games. Overall this book is easy to stick with and provides valuable learning.

I was hoping for a more in depth, thought provoking and spiritually challenging devotional for my children. Not only does this devotional heavily rely on the children's Bible series the author wrote, but the content seems very weak. It seems to be good for the 3-5 age group as it is short enough to hold the short attention span of my 5 year old, however, my 7 year old is very bored with it - and neither one of my children are challenged spiritually by the content. My girls do appreciate starting our day with it so we open our days of home schooling with it - but - I am actively looking for something that is more suitable. Its not bad, just weaker than I had hoped.

I got this book to use with my two boys ages 9 and 6. We have used it for several months, and while the devotions are quick and easy I find them too simple for my boys. This would be a great devotional for probably 6 and under, but if you want something a little more in depth or if your kids are older this might not be right for you. There is nothing wrong with the lessons themselves, I just feel like they are more suited to a younger audience.

My four boys 10 yrs and younger use this book daily for their devotions. The daily messages are easy for the kids to read themselves and any age can "get" the message and talk to it as it applies

to them. The messages foster conversation beyond a yes or no answer to questions. And the themes are often relevant to what unfolds during the day ;) just as God intends it to!

These devotionals are great. We read & discuss them before dinner nightly. My kids don't really care for the activities but do get a lot out of the devotionals. The words are easy enough for both my 6 & 8 year olds to understand. My 8 year old usually reads while we all listen! Great buy!

It took me a long time to pick up a daily devotional that I can read with my kids. I particularly like this one bc you really don't need the companion bible it suggests you buy to go along with it. Everything is packed in this one book. Like a lot of people, we already have about 5 bibles floating around the house and don't need one more just for a devotional. This book also does a good job of asking questions that make the kids think and get excited to answer. (mine are 6 and 8 years old) It also has weekly activity suggestions that you can do as a family that go along with what the devotionals were focusing on for the week. The only thing that I don't like about this book, is that it doesn't have Saturday and Sunday devotionals.

I LOVE this book. The content is not too young, not too old for my 7 year old. It's just the right length so he doesn't lose interest. Highly recommend.
