My First Hands-On Bible

Synopsis

My First Hands-On Bible is the preschooler version of the popular Hands-On Bible, which has sold over a half million copies. Jesus taught with hands-on lessons and illustrations; My First Hands-On Bible uses the same experience-based learning to communicate God's Word in an active, understandable way. My First Hands-On Bible is a fun and simple yet meaningful way to engage preschool, pre-K, and K children (ages 3-6) with the Bible while helping them build a solid faith foundation. Each lesson focuses on a specific Bible point through a variety of activities in order to reinforce and help young children remember the stories and lessons. Using common household items, you can help your children have a "hands-on" learning experience while engaging them in 85 key stories from the Bible. My First Hands-On Bible doesn't just retell the Bible stories; it also includes actual Scripture from the easy-to-understand and easy-to-read Holy Bible, New Living Translation. In addition to the stories and activities, there are fun illustrations, prayers, and a special Jesus Connection feature.

My Thoughts: I have had My First Hands-On Bible for a while now. I waited a long time before posting my review because I wanted to gauge my young daughters repeat interest in this new book. They LOVED it! We really couldn't get enough of the bible stories and the practical applications. As a mother, I look for help regarding my daughters learning since I have a hard time explaining concepts on a level they can understand. This hands on bible was perfect for me. It is the most unique Bible I've seen to date, and is now my favorite children's bible. Kids learn the best when they can observe the world around them and use it in their education.
