# Preparing For Disasters (Disaster Alert!)

## Synopsis

Disasters certainly seem to be on the rise, from hurricanes and massive flooding, to tornadoes, earthquakes, and fires. This book looks at topics such as preparing disaster supply kits for homes and cars, learning how to use ham radios, reading maps, creating and practising evacuation plans, and much more. --This text refers to the Library Binding edition.

Age Range: 8 and up

Grade Level: 3 and up

## Customer Reviews

The 'Live It' series offers character sketches around issues, uses a graphic novel-type format to reach reluctant readers, and offers 32 pages including an index, glossary and bibliography. Arranged around themes, each book offers theme discussions using biographies as the foundation for considerations of values and ethics. Molly Aloian's **RESPONSIBILITY**, Marina Cohen's **COOPERATION**, Robert Walker's **INTEGRITY** and **OPTIMISM**, and Natalie Hyde's **COURAGE** are a few examples of a strong series likely to appeal to many elementary-level libraries. Bobbie Kalman's **PREPARING FOR DISASTERS** offers a 32-page coverage of various kinds of disasters, telling how to create an emergency kit, designate a safe shelter, handle floods and more. These will lend to reports and study.
