I love it. I am learning guitar and this makes it really easy for a beginner to learn many hymns quickly..

This book is just what I was looking for to use with the keyboard my kids got me for Christmas. Not hard but with the cords you can improvise as you want to.

This book has some good selections of hymns, but it is a little more difficult than I expected for my young piano students.

A great book to use and play church music. Makes you sound good.

Good book to learn to play worship music.
